Board/Director Comments:

Kim Warner – used AI to gather information regarding the nutrition changes if anyone would like a copy.

Kimberly Daniels – Directory's Performance Evaluation (confidential) done and part of the personnel file.

Debra Smith – NEMCSA Region 9 AAA Nutrition and Services Coordinator, meal concerns are being worked on, the Director at Region 9 is working with Debra on it. The director of Region 9 and myself are coming down to attend a council meeting to talk about the concerns. We are looking at the State standards and figuring out what adjustments (if any) can be made. Debra has been working very hard on this and none of the changes are her fault. I beg that you all allow us to work through this using the proper channels working with the state and reassure you that Deb is doing all she can to give you the meals that you deserve and that you want.
